

SUDIP MOHANTY

Mobile: +916372070054

Email: sudipmhnt@gmail.com

Objective: To pursue technology oriented career that will provide an environment to learn and contribute my skills striving towards excellence and professional growth.

Professional Summary:

- Around 7 Years of Total experience in IT industry. Around 1.5 Years of experience in Application support which includes experience working in UNIX Shell Scripting and Oracle SQL database along with it Python Scripting.
- Nearly 4.9 Years of experience in UI development technologies like HTML, CSS and Object Oriented Javascript and for developing and enhancing various applications like WEB LLU, MPRES XDSL, SOG OCM, WBA Portal.
- Working experience of around 3 Years in AngularJS/Angular2 JS frameworks and MEAN(MongoDB, Express.js, Angular, Node.js) stack development.
- Experience in Agile Methodology.
- Working experience of using REST API to integrate the Backend Functionalities with the Frontend.
- Always willing to work on new technologies and learn new technologies from self interest.

Work History:

Company Name: Tech Mahindra, (24/01/2012 to 14/12/2018)

Role in Organization: Team/Technical Lead

Projects: KPN Netherlands(It is a telecom based project. KPN is responsible for providing internet and Telephone line connections in Netherland)

Jobs and Responsibility:

- Have worked a lot of different applications in main project KPN. Below are the ones:
1) Application Support for BAAN Application(2012-2013):
- Troubleshooting issues in java based web application having web server as Apache and Middleware as JBOSS and suggesting solution for it.
- Communicating with the client and normal users relating to their queries and addressing them and taking necessary actions as required to solve it in time.

- Involved in various UNIX activities like Adding/Deleting/Updating Users, Providing Samba Shares Access to users.
- Investigation of arising incidents and solving them efficiently with efforts.
- Automated functionalities using shell scripting in Unix and scheduling as per the convenience or requirement using Crontab.

2) UI development using HTML, CSS and JavaScript for WEB LLU application(2013-2015):

- Developed User Interface for the application WEB LLU using HTML, CSS and Object Oriented JavaScript. It was the web representation of the install base data of the customers.
- Modified the code for the application and then deployed in IIS of the Windows server where the application was hosted.
- Application was generally for the back office users to search the customer data based on various criteria.

3) UI development using AngularJS/Angular 2(2015-2018):

- Worked on enhancing the code functionalities and developing new code for a number of applications using AngularJS and later Angular 2.
- Used code repositories like SVN/GIT to store and maintain code.
- Used routers in angular to navigate between different pages of the application.
- Validated various elements in the form using form validations methods of HTML and angular.
- Ensured the application is responsive enough for the users to use effectively.
- Also, for the security of the data passed through REST API made use of Web Tokens to ensure only authorized persons are able to access the required data.
- Used Node.JS to run the application in development environment.
- Also, worked, maintained and enhanced when required on a small MEAN stack application.

Educational Qualifications:

Examination	University/Board	Year of passing	Marks %
B.Tech	B.P.U.T	2011	73.7
H.S.C.	C.H.S.E(State Board)	2007	62.2

S.S.C	C.B.S.E	2005	84.2
-------	---------	------	------

Technical Skills:

- Programming Languages: UNIX (Shell Scripting), SQL, HTML, CSS
- Operating Systems: Windows, UNIX (Linux, Solaris).
- JS/Scripting Languages : Angular, Object Oriented JavaScript, Node.JS, Python
- Vesion Controls : SVN, GIT
- Tools known: SQL Developer, TOAD, Service Now, Putty, Microsoft Visual Studio2008, Microsoft Office.
- Web Technologies: Apache, Jboss, SOAP XML, IIS.

Personal Information:

Father- Mr. Sujay Kumar Mohanty

Mother- Mrs. Pankajabasini Mohanty

Date of Birth: 31st January, 1989

Languages known: Odia, Hindi, English
